

Volunteers

Many volunteers are needed to operate the Battle. However, if each team would supply just one volunteer, we would be fully staffed. If you know of anyone (i.e. fellow employee, friend, or spouse) who would like to volunteer to be a timer or scorekeeper, please email his/her name to the board at thedaytonbattle@sbcglobal.net. Our greatest needs are Miniature Golf, Basketball, and the final Saturday, but we can use anyone anytime.

We also have a special request for **QUALIFIED** volleyball referees (up and down). Please email their names to the board along with the session(s) they are available to work. THANK YOU!!

Tent Information

Many teams like to arrange for a tent to be used on the final Saturday of the Battle. The Battle of the Businesses does not have an agreement with any tent rental companies. If you are interested in using a tent, either a rental or one of your own, please make all of the arrangements on your own.

When arranging for a tent, please note the following:

- If using a tent rental company, set up day is on Friday. It will be impossible for a tent company to set up on Saturday.
- All companies planning to use a tent (from any source) must complete and return the Tent Space Request Form on the following page, no later than **May 30, 2009**.

* The Battle of the Businesses is **NOT** responsible for the condition or delivery of the tent.
